WIOA Background

The Northwest Georgia Workforce Development Board (WDB) is soliciting proposals in the fifteen (15) county Northwest Georgia Area from qualified organizations to implement Career Services/Case Management services in support of the Individual Training Account Services. The funding is made available through the Workforce Innovation and Opportunity Act of 2014 (WIOA) (HR 803) <https://www.congress.gov/bill/113th-congress/house-bill/803/text>. WIOA gives local Workforce Development Boards the authority to develop and oversee the local workforce system programs for employers and job seekers. The WDB is made up of private and public sector community leaders.

The Northwest Georgia area includes the following counties: Bartow, Catoosa, Chattooga, Dade, Fannin, Floyd, Gilmer, Gordon, Haralson, Murray, Paulding, Polk, Pickens, Walker, and Whitfield.

The project will include the career services which are available to adults and dislocated workers through the One-Stop System.

Funding for career and training services are available to: (a) unskilled adults (18 years of age or older) who meet WIOA guidelines established by the State and local Workforce Development Board (WDB) through regular WIOA funding; (b) dislocated workers (this includes, but is not limited to: persons who have lost their jobs due to permanent plant closures, have been terminated or laid off, or who have received a notice of termination or layoff); (c) displaced homemakers; and (d) youth ages 18-24 who meet eligibility criteria for WIOA Youth programs.

The total amount of funding available for all training projects is expected to range between \$2,000,000 and \$2,300,000, with actual amounts dependent upon allocation and availability of carryover funds. The funds will be used to serve approximately 400-500 total participants for the period of June 1, 2022 (for early start-up) or July 1, 2022 through June 30, 2023. Later start-up dates may be negotiated.

Overview - One-Stop System and Proposed Career Services

The Northwest Georgia One-Stop System is operated by a competitively selected One-Stop Operator as required under WIOA. Georgia Department of Labor (GADOL) was awarded the One-Stop Operator contract.

The system is comprised of one comprehensive One-Stop and affiliate sites located throughout the region. Career services/case management training services will be provided through the One-Stop system. Consequently, the bidder should propose projected costs realizing that each entity that carries out a program or activities in a local One Stop Center must use a portion of the funds available for the program and activities to maintain the One-Stop delivery system (see 678.700 of Federal Register/vol.80, No. 73/Thursday April 16, 2015 and applicable Federal cost principles).

I. Participant Management Requirements

The Career Advisor/Case Manager will be responsible for recruitment of applicants; determination of eligibility; verification or provision of Career Services (basic and individualized); registration in the Data Management System (DMS); documentation of all applicable information in the DMS; basic and occupational skills assessments to determine suitable training occupations (the cost of assessment tools should be included in the budget); career guidance and counseling; implementation and ongoing update of the Individual Employment Plan (IEP); verification of legal status; verification of selective service; and case management.

The career and training services provided through the one-stop centers are comprised of WIOA Title I and III, Wagner-Peyser funded services that must be provided for the universal population in all designated one-stop centers.

 - vii. Provision of performance information and program cost information on eligible providers of training services by program and provider type;
 - viii. Provision of information on how the LWDA is performing on federal performance measures;

- ix. Provision of information on the availability of support services or assistance, and appropriate referrals to those services and assistance, including:

 - x. Provision of information and assistance regarding filing claims for unemployment compensation, by which the LWDA must provide appropriate assistance to individuals seeking such assistance.
 - xi. Assistance in establishing eligibility for programs of financial aid assistance for training and education programs not provided under WIOA, including HOPE and PELL.
- b. Individualized career services must be made available if determined to be appropriate in order for an individual to obtain or retain employment. In accordance with TEGl 3-15, individuals must be declared eligible to receive these services. These include the following services, as consistent with WIOA requirements and federal cost principles:
- i. Comprehensive and specialized assessments of the skills levels and service needs of adults and dislocated workers, which may include:
 - diagnostic testing and use of other assessment tools; and
 - in-depth interviewing and evaluation to identify employment barriers and appropriate employment goals;
 - ii. Development of an individualized employment plan to identify the employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to achieve his or her employment goals, including the list of, and information regarding the Eligible Training Provider List (ETPL);

 - vii. Internships and work experience that are linked to careers;
 - viii. Workforce preparation activities that help an individual acquire a combination of basic academic skills, critical thinking skills, digital literacy skills, and self-management skills including competencies in

utilizing resources, using information, working with others , and obtaining skills necessary for successful transition into and completion of post secondary education, or training, or employment;

- ix. Financial literacy services;
- x. Out-of-area job search and relocation assistance; and

- c. Follow-up services must be made available, as appropriate, and include counseling regarding the workplace, for participants in adult and dislocated worker activities who are placed in unsubsidized employment for a minimum of 12 months after the first day of employment. Follow-up services do not extend the date of exit in performance reporting (TEGL 10-16).

B. Training Services

Training services are provided to equip individuals to enter the workforce and retain employment. Examples of training services that could be provided through the contract include:

- Occupational skills training, including training for nontraditional employment;
- On-the-Job training (OJT);
- Incumbent worker training;
- Workplace training and cooperative education programs;
- Private sector training programs;
- Skills upgrading and retraining;
- Entrepreneurial training;
- Apprenticeship;
- Transitional jobs;
- Job readiness training provided in combination with other training described above;
- Adult education and literacy activities, including activities of English language acquisition and integrated education and training programs, in combination with training; and
- Customized training.

II. Individual Training Accounts (ITA)

The occupational skills training may be available through Individual Training Accounts (ITAs) or class-size training (if through agreement by the Workforce Development Board).

- i. Individual Training Accounts are established on behalf of the participant. WIOA Title IB Adult, Dislocated Worker and youth participants will use ITAs to purchase training services from eligible providers they select in consultation with the case manager, counselor or coordinator.

Individual Training Account services may be made available to employed and unemployed adults and dislocated workers who have met the eligibility requirements for Intensive services, and have been determined to be unable to obtain or retain employment leading to self-sufficiency through such services.

The participant must have a completed Individual Employment Plan (IEP) that indicates, through interview, evaluation or assessment, the participant's employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to achieve the employment goals have been identified. Selection of a training program must include the identification that the training is directly linked to occupations that are in demand in the LWDA, or in another area to which an adult or dislocated worker is willing to relocate. In determining local demand occupation(s), providers may allow for training in occupations that may have high potential for sustained demand or growth in the LWDA.

- ii. ITAs are limited to participants who (20 CFR § 680.230):
 - a. Are unable to obtain grant assistance from other sources (including Federal Pell and other federal grants) to pay the cost of their training; or
 - b. Require assistance beyond that available under grant assistance from other sources (including Federal Pell, GI Bill, and other federal grants) to pay the cost of their training. In making this determination, LWDA staff may take into account the full cost of participating in training services, including the cost of support services and other appropriate costs.
 - c. Service providers and training providers must coordinate funds available and make funding arrangements with partner agencies and other entities so that WIOA ITA funds supplement Pell and other grant sources to pay for the cost of training (see d. re: Cost of Attendance).
 - d. Participants may enroll in ITA-funded training while their application for a Pell grant is pending provided that the service provider has made arrangements with the training provider and the participant regarding the allocation of the Pell Grant, if it is subsequently awarded. If a Pell Grant is awarded, the training provider must reimburse the service provider the ITA funds used to underwrite the tuition portion of the training costs from the Pell Grant.
 - e. Program operators should consider all available sources of funds, excluding loans, in determining an individual's overall need for WIOA funds. Resources such as Pell, GI Bill, and other federal grants should not be included in the calculations of the level of WIOA assistance until the grant has been awarded.

Tuition is the sum charged for instruction and does not include fees, books, supplies, equipment and other training related expenses. Reimbursement is not required from the portion of Pell Grant assistance disbursed to the participant for education-related expense. (20 CFR § 680.230)
- iii. Duration, Cost Limits, and Availability
 - a. The ITA policies are available at www.careerdepot.org.
 - b. ITAs are awarded per semester, quarter, or for uninterrupted coursework. Second and subsequent ITAs will be awarded only for continuing classes in the educational or training institution initially attended, unless there is a mutual and justifiable agreement between the service provider and the participant that another training institution or training program is necessary.
 - c. An individual who has been determined eligible for an ITA may select a training institution/program from the Georgia Eligible Training Provider List (ETPL) or from another state, provided that the training institution/program is listed on that state's Eligible Training Provider List, after consultation with

a case manager, counselor or coordinator. Unless the program has exhausted funds for the program year, the service provider must refer the individual to the selected training institution/program, and establish an ITA for the individual to pay for training.

- d. In order to become a provider listed on the ETPL, the provider must agree to comply with one of the two new ETPL Federal Requirement options for Eligible Training Providers. First option requires the provider to provide the Technical College System of Georgia, Office of Workforce Development with program performance and employment outcomes at the aggregate level for all students in each eligible program. Providers will follow up with the students for one year after leaving the program. The second option requires the provider to provide OWD with program completion and credential outcomes and all students Social Security Numbers so employment and earning outcomes can be obtained from the Georgia Department of Labor.
- e. Payments may not be made to a training provider until the service provider ensures that the training provider selected is on the ETPL at time of payment for tuition and fees under WIOA ITAs.

III. Coordination of Funds

WIOA funding must be coordinated with all other available funding sources such as HOPE, Pell, and GI Bill and detail how all other funds will be used prior to expending WIOA funds. Participants should apply for HOPE, Pell, GI Bill, and all other appropriate funding sources. WIOA participants may enroll in training while Pell, Hope, GI Bill, and other funding sources are pending as long as the appropriate arrangements have been made with the training institution regarding the allocation of all grants and funding sources. Career Advisors/case managers and/or service providers should conduct an analysis of the participant's financial needs (cost of attendance) to document a participant's total cost of attending training. This analysis includes, but is not limited to, the costs of tuition, fees, books, supplies, transportation, childcare, living expenses, and other appropriate personal and educational related expenses. The documentation supporting this determination should be maintained in the participant's case file.

If it is determined through the analysis of the cost of attendance form that the total cost of attending training exceeds the amount available through HOPE and WIOA funding, then Pell funds may be utilized by the participant for living and other appropriate personal expenses during the training period.

IV. Payment System

ITAs are designed to identify WIOA funded costs associated with the training cost of attendance. The cost of attendance may include tuition, fees, room and board, books, supplies, and other training related costs required for participation in a specific training program.

The ITA identifies the WIOA obligation for the participant and the participant will be able to access information about the account from the service provider. Each service provider is responsible for maintaining an ITA payment system which ensures that payments made to eligible providers are timely, for the agreed upon amount, ensuring that the provider is on the ETPL at time of payment and that the payments are supported by appropriate documentation. Note: Cost of Attendance may also include other expenses that are not incurred through the training provider such as child care, transportation, rent and other living expenses. WIOA

funds may be used to assist with such expenses and are considered supportive services. These expenses require proof of expenditure in the participants file.

A. Training related costs required for participation in a training program include, but are not limited to:

- i. Tools and supplied necessary to participate in training;
- ii. Uniforms and shoes/boots;
- iii. Drug tests, physicals, eye exams, immunizations;
- iv. Background checks;
- v. Application, graduation, and GED fees;
- vi. Credential, license or exam fees;
- vii. Lodging (when a part of the cost of attending training out of area); and
- viii. Auxiliary aides and services necessary for persons with disabilities to participate in training.

B. Financial responsibility for ITAs remains with the LWDA who developed the ITA, in consultation with the participant, throughout the period of training, regardless of the location of the training provider. The financial responsibility of the LWDA also extends to supportive services.

V. Documentation

Contact between the case manager, counselor or coordinator and the participant must occur, at a minimum, at the end of each quarter, semester or uninterrupted training course during the lifetime of the training plan. Contact may be made by telephone, through the mail, personal contact, social media, or other appropriate means to provide documentation of successful progress.

Documents such as attendance records, grade reports, and statements from the instructing agency, are required as proof of participation. Documentation of status of the provider, either Georgia's ETPL or another state's list, must be maintained in the participant's file.

VI. Additional Training Programs

A. *Work Experience (Transitional Jobs)*: A Work Experience Program, also known as a Transitional Job provides time-limited work experiences that are subsidized for private, non-profit, or public sectors for individuals with barriers to employment who are chronically unemployed or have an inconsistent work history.

Work experience can be effective solutions for individuals to gain necessary work experience that they would not be able to get through training. The goal is to establish a work history for the individual, demonstrate work success, and develop skills that lead to entry into unsubsidized employment. In work experience there is no expectation that the individual will continue his or her hire with the employer after the work experience is complete.

B. *Internship*: An Internship is a short-term or part-time work assignment with a private for-profit, non-profit, or public employer designed to enhance skills learned in a classroom setting, and to provide the opportunity for the application of these learned skills. Internships will occur prior to, concurrent with, or subsequent to 1) occupational classroom training, or 2) Basic Skills Training aiding the participant in applying the basic skills necessary to compete successfully in the labor market.

C. *Customized Training*: Customized training is designed to provide local area with flexibility to ensure that training meets the unique needs of the job seeker and employer

or groups of employers. It is to be used to meet the special requirements of an employer conducted with a commitment by the employer to employ all individuals upon successful completion of training. The employer must pay for significant share of the cost of the training. Proposed WIOA 680.770 identifies the eligibility requirements for employed workers to receive customized training.

- D. *Incumbent Worker Training*: Incumbent worker training is designed to either assist workers in obtaining the skills necessary to retain employment or to avert layoffs and must increase both a participant's and a company's competitiveness. This training should, wherever possible, allow the participant to gain industry-recognized training experience, and ultimately should lead to an increase in wages. An ideal incumbent worker training would be one where a participant acquires new skills allowing him or her to move into a higher skilled and higher paid job within the company, thus allowing the company to hire a job seeker to backfill the incumbent worker's position.
- E. *Apprenticeship*: An Apprenticeship is a combination of on-the-job training and related classroom instruction in which workers learn the practical and theoretical aspects of a highly skilled occupation. Apprenticeship programs are sponsored by joint employer and labor groups, individual employers, and/or employer associations.
- F. Other training offered through the program may be:
- Workplace training and cooperative education programs;
 - Private sector training programs;
 - Skills upgrading and retraining;
 - Entrepreneurial training; and/or
 - Job readiness training provided in combination with other training described above.
- G. On-the-Job Training is provided at the employer's location. Georgia Department of Labor provides this service. The Career Advisor/Case Manager will assist and refer to this source as needed.

VII. Program Requirements

1. A requirement, if selected, is participation in the One-Stop Center. Basic Career Services will be provided at the One-Stop Center by each partner. Individualized career services, however, will be required as needed for those served through this program.
2. Recruitment is a key component of this program. In addition to recruitment in cooperation with financial and dislocation events, the successful bidder will develop promotional literature to publicize opportunities provided by the WIOA program. Additionally, the successful bidder will inform the various community agencies and organizations of opportunities available from the WIOA program including the following: Technical College System of Georgia –Office of Workforce Division (TCSG-OWD); Headstart Programs; Department of Family and Children Services in the service area, basic adult education classes; school counselors; local churches; Georgia Vocational Rehabilitation Agency; public service announcements on local radio and in local newspapers; personal visits to local day care centers; and other social services agencies that work with the WIOA target populations.
3. Registered participants will be entered into the State Data Management System. If the participant is entering the ITA program, the ITA tracking system will be utilized to record financial commitments and update it as appropriate.

4. All pertinent Workforce Development Board policies regarding service delivery must be followed. Routinely, the eligibility determination, service priority, and support policies will be used.
5. Although the ITA system is the primary service option, other training options may be pursued for the participant and offered either directly or through referral.
6. The Career Advisor will continue serving the participant even after the participant completes training to assure successful job maintenance and appropriate follow-up through the development of a wage progressive plan.
7. The program will emphasize strong customer service and satisfaction principles. Continuous improvement will be expected and monitored.

VIII. WIOA Performance Measures

This is not a program whose success is based solely on the number of participants. The success of the program is based on how well the participants perform on the job and their success in long-term employment.

Below is a list of performance measures that will be used in determining each provider program's success. These measures are negotiated yearly with the Technical College System of Georgia - Workforce Division.

- (a) WIOA Adults - Ages 18 and above

AWARD OF THE CONTRACT

Award of Contract

NWGRC staff will evaluate proposals and make available the evaluation and summary information of the proposals to the Proposal Review Committee. Should a meeting of the Proposal Review Committee not be possible, the WDB will review it at their meeting. The Northwest Georgia WDB and Council of Chief Elected Officials (CCEOs) of Northwest Georgia intend to select the Career Services/Case Management provider(s) at their regularly scheduled meeting in January 2022. However, in the event of inclement weather, lack of a quorum or other adverse circumstances the decision will be made as soon as feasible. Contracts will be awarded based on the decision of the WDB/CCEOs at its meeting and subsequent approval by the Northwest Georgia Regional Commission Board. The proposing agency's official contact person will be notified of the disposition of the proposal through certified mail or email by April 1, 2022.

Initially, proposals will be evaluated for responsiveness using the Responsiveness Checklist in this proposal package. Only responsive proposals will be considered for funding. Responsive proposals will be evaluated for competitiveness and contracts awarded using the review criteria presented in this proposal package. A contingency list will be developed specifying competitive bidders with whom contracts may be awarded should additional funds become available due to de-obligation of funds or the identification of additional training needs; or existing contracts with performing contractors may be increased to utilize these funds.

The Northwest Georgia Workforce Development Board adheres to a Conflict of Interest policy in which in the event that an actual or potential Conflict of Interest exists, the affected Board Member shall recuse himself or herself from voting on the impacted topic and shall also refrain from participating in any discourse involving the impacted topic other than bringing the actual or potential Conflict of Interest to the Board's attention prior to the vote. Such disclosure shall be expressly noted in the Board's minutes. Additionally, in the meeting minutes, the Board shall recite the nature of the actual or potential Conflict of Interest and the recusal of the impacted Board Member with respect to the vote and discussion of the impacted topic.

In the event that a Board Member is uncertain to whether an actual or potential Conflict of Interest exists, the Board Member shall notify the Board and the remainder of the Board shall vote to determine whether an actual or potential Conflict of Interest exists.

The Northwest Georgia Workforce Development Board's Conflict of Interest policy forbids any WDB member, Council of Chief Elected Official, Administrative Staff, NWGRC Board member, or other persons involved in a WIOA funded activity from (1) receiving monetary benefit from suppliers or potential suppliers or (2) participating in the selection, award, or administration of a procurement supported by WIOA funds, in any case where the individual is aware that he or she, or any member of his or her immediate family, or his or her partner, or any organization that employs or is about to employ any of those persons, has any financial or material interest in any organization that may be considered for an award or (3) advocating for or cause the advancement, appointment, employment, promotion, or transfer of an Immediate Relative to any office or position administering or handling federal funds under Public Law 113-128, including without limitation, any potential or actual supplier, contractor, subcontractor, grant recipient or other service provider.

In addition, a WDB Board Member shall not vote on a matter under consideration by a Board if such vote:

- Involves the provision of services by such Board Member (or any entity or organization the Board member represents, or in which he or she hold an ownership or pecuniary interest) or a Board Member's Immediate Relative;

- Would provide a direct or indirect financial benefit to the Board member (or any entity or organization the Board member represents, or in which he or she hold an ownership or pecuniary interest) or a Board Member's Immediate Relative; or
- Involves any other conduct or activity determined to constitute a Conflict of Interest.

The Northwest Georgia Workforce Development Board reserves the right to accept or reject any/all bids received as qualified, to accept other than the lowest bid, to negotiate with responsive bidders for the best price, or to cancel in part or in its entirety, the request if it is in the best interests of the WDB to do so.

Service providers who demonstrate satisfactory performance may be given the opportunity to renegotiate cost and other factors for programs to be operated during Program Year 2023-2024 and Program Year 2024-2025.

SPECIFIC FIDELITY BONDING REQUIREMENTS
(For Information Only - Do Not Return With Proposal)

The amount of bonding required for the contract is determined by calculating the total amount of the contract by the percentage shown on the attached schedule. In purchasing the bond, it may be necessary to purchase slightly more than the minimum required since some insurance companies “round off” figures to whole thousands.

The bond may be a blanket bond covering all contractor employees, or it may be a position bond, listing specific positions. If a position bond is used, the positions bonded should be those persons handling funds. Positions frequently bonded are board chairperson, director, treasurer, and bookkeeper, varying with individual circumstance. If a position bond is used, each position scheduled must be for the minimum amount required. [Example: If a contract required \$75,000.00 bonding, each schedule position should be bonded for that amount (not scheduling three positions for \$25,000.00).]

If there is insufficient time between the point at which a bond is ordered and the date for processing a contract, a binder from the insurance agency may be used. However, the binder must include the period of coverage, the positions bonded if it is a schedule-type bond, and the bonding company (as distinguished from the insurance agency). If a letter from the insurance agency is to be used as a binder, it must indicate the coverage is bound in definite, exact terms, such as “The bond will be issued.....,” or “Coverage is bound...,” rather than phrases such as “The bond has been ordered,” “We have asked the company to issue the bond...,” etc. However, it is the responsibility of the contractor to assure that a final copy of the bond or rider is received, maintained on file and appropriate copies submitted to NWGRC.

Once the bond and/or binder is determined correct, one (1) copy of the fidelity bond or binder will be needed to attach as an annex to the contract.

Federal, State, and local governmental organizations need not provide bonding coverage, provided they have a general or blanket bond, covering employee dishonesty or fraudulent actions. Contracts of less than \$15,000 do not require a bond, unless down-payments (start-up funds) are requested.

NWGRC reserves the right to modify bonding requirements that may be considered desirable or necessary to protect WIOA, WtW, or NWGRC funds.

Any clarifications regarding bonding requirements should be directed to Joey Cumbie at 706.295.6485.

COMPLAINTS OF DISCRIMINATION

The NWGRC is prohibited from, and does not engage in, discriminating against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, gender identity, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIOA Title I financially assisted program or activity.

If you think that you have been subjected to discrimination under a WIOA-funded program or activity, you may file a complaint within 180 days from the date of the alleged violation with the Northwest Georgia Regional Commission, WIOA Equal Opportunity Officer, Phyllis Walker, P.O. Box 1798, Rome, GA 30162-1798, 706.295.6485, TDD 800.255.0056,

pwalker@nwgrc.org, or with the Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW, Room 4123, Washington, DC 20210.

OR

Complaints may also be filed with the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, Technical College System of Georgia, Office of Workforce Development, 1800 Century Place NE, Suite 150, Atlanta, GA 30345-4304, 404.679.1371, TTY/TDD 800.255.0056, WIOAcompliance@tcsge.edu.

Furthermore, the USDOL Civil Rights Center provides a complaint form which should be utilized, if sending a discrimination-based complaint, and can be found at <http://www.dol.gov/oasam/programs/crc/external-enforcement-complaints.htm>

If the complainant chooses to file the discrimination complaint with the Northwest Georgia Regional Commission or with the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, then the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer or the NWGRC has 90 days to resolve the complaint and issue a written Notice of Final Action. The Notice of Final Action for each issue raised in the complaint will contain a statement from either NWGRC or the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, a decision on the issue and an explanation of the reason underlying the decision or a description of the way the parties resolved the issue.

If the complainant is dissatisfied with the resolution of his/her complaint at NWGRC or the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, the complainant may file a new complaint with the Civil Rights Center (CRC) within 30 days of the date on which the complainant receives the Notice of Final Action. Options for resolving the complaint must include alternative dispute resolution (ADR) at the complainant's choice. The complainant may attempt ADR at any time after the complainant has filed a written complaint with NWGRC or the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, but before a Notice of Final Action has been issued. The choice whether to use ADR or the customary process rests with the complainant. A party to any agreement reached under ADR may notify the Director in the event the agreement is breached. In such circumstances, the non-breaching party may notify the Director within 30 days of the date on which the non-breaching party learns of the alleged breach and the Director must evaluate the circumstances to determine whether the agreement has been breached. If the Director determines that the agreement has been breached, the complaint will be reinstated and processed in accordance with NWGRC's procedures. If the parties do not reach an agreement under ADR, the complainant may file a complaint with the EO Officer (or the person who has been designated for this purpose) or Director. Complaints filed with the Director should be sent to: The Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210, or electronically at www.dol.gov/crc.

If the TCSG OWD Compliance Director, State-Level WIOA, Title I, Equal Opportunity Officer, or NWGRC fails to issue the Notice within 90 days of the date on which the complaint was filed, the complainant may file a new complaint with CRC within 30 days of the expiration of the 90-day period (in other words, within 120 days of the date on which the original complaint was filed).
