In the absence of Scott Jackson, Chairman, Melissa Freeman called the meeting to order.

Ms. Freeman informed those present that the Summary from the September 12, 2019 Meeting had been emailed and was attached. The Summary was approved by all members present.

Terri Morgan presented a copy of the PAID Goals with highlighted notes indicating progress (attached). She stated that www.careerdepot.org was live and that accessibility tools were built into the platform. Additionally, Ms. Morgan asked Kristen McNally to review the website. Ms. McNally noted that the built in accessibility tools were fabulous. She also asked that Scott and Bronwyn Rumery to review the site as well.
Ms. Morgan mentioned that Lesia Lambert had asked that the PAID Council develop an interactive page for the website. Ms. Freeman asked what was currently on the PAID page. Ms. Morgan stated that the goals and the resource guide were on there, along with a list of the PAID Council members. Ms. Freeman suggested that the PAID Council discuss the website at the next meeting.

Ms. Morgan also noted that she was still working with the HDCI Steering Team, the Employer Committees, and SHRM groups to try to form partnerships and provide information. Ms. Morgan also added that an item had been added to the goals regarding creating a plan for programmatic monitoring of the affiliate sites and future monitoring on a quarterly basis.

Jim and Bonnie Moore provided those present with information about the National Alliance on Mental Illness (NAMI).

There being no further business, the meeting adjourned.
