**VI. New Programs/New Providers**

**A. Dalton State College. . . . . Brandi Dover**

Brandi Dover informed the Board that Workforce Division (WD) staff met with Dalton State College (DSC) representatives on two occasions to discuss assisting eligible students attending Dalton State College. She stated that it was staff's recommendation to add DSC as an Individual Training Account (ITA) Vendor pending the State's ETPL eligibility review. Additionally, staff requested approval to begin processing ITAs for the remainder of 2017-2018 and to continue with them as an ITA vendor for the 2018-2019 program year. Beth Kelley made the nomination to accept this request. Illya Copeland seconded. Motion carried unanimously.

**VII. Contracts/Agreements**

**A. Conference Board ..... Tammy Helbing**

Tammy Helbing presented information regarding the contract with The Conference Board for the use of their labor market analyzer portal provided by CEB TalentNeuron (previously Wanted Analytics). The labor market analyzer portal is a comprehensive virtual "one stop" software that provides the ability to access current and historical labor market data (current job openings, compare employment related data from multiple locations and time spans using jobs data and employment data from state and federal sources). In addition, the labor market portal allows:

1. The ability to access real time, on-demand, local and national job market data for the 15 county area as well as Atlanta and Chattanooga.
2. The ability to access information on unduplicated, quality job postings from across the internet.
3. The ability to filter data using O\*NET codes as well as occupations and job titles.
4. Is user friendly and offers flexible controls for search criteria.
5. Provides access to global and national economic data.

Staff requested approval to renew the contract with The Conference Board for the use of the online subscription for the labor market analyzer portal provided by CEB TalentNeuron for one year (July 1, 2018 - June 30, 2019) of unlimited access to job market data at a cost not to exceed \$6,291. Donny Bosworth made the motion to accept the request. April Rogers seconded. Motion carried unanimously.

**B. Entre Solutions/Tracksource ..... Brandi Dover**

Ms. Dover reminded those present that financial tracking system software is used to track obligations for the year and updates for any changes which may occur in actual costs. It is also used by career advisers to create vouchers to send to NWGRC fiscal department based on actual ITA costs. NWGRC used Entre for PY 17-18 at a cost of \$90 per user for a minimum of 10 users (\$900 per month / \$10,800 per year).

Staff requested approval of the Entre Solutions/Tracksource agreement for July 1, 2018 - June 30, 2019 for 15 users (based on possible removal/addition of staff) at a fee of \$90 per user per month for a total not to exceed \$16,200. Entre will only bill for actual user cost with a minimum of 10 users. Donny Bosworth made the motion to accept the request. Beth Kelley seconded. Motion carried unanimously.

**C. UI lookup . . . . . Phyllis Walker**

Phyllis Walker informed the Board that, in the past, the Northwest Regional Commission entered into an agreement with the Georgia Department of Labor to allow the WIOA staff access to various employment screens. The screens are utilized to check the employment status of WIOA participants. This information is pertinent to our performance measures. Although the search may be a quarter behind, it allows staff to look at historical data and gives assistance with determining participant eligibility. Attached is a summary of this year's usage and the amount of money spent.

Staff recommended approval for a new contract with Georgia Department of Labor for PY2018-2019 in the amount of \$10,000. The amount has not increased from our current year's agreement. (Attached is a summary of this year's usage and the amount of money spent.) Mitchell Morgan made the motion to accept the request. Jim Henry seconded. Motion carried with Lisa Adkisson and Beth Kelley abstaining (due to their employment with Georgia Department of Labor) and with no dissenting vote.

**VIII. Policies**

**A. Grievance Policy . . . . . Phyllis Walker**

Donny Bosworth made the motion to accept this policy change. Beth Kelley seconded. Motion carried unanimously.

**B. ITA Policy . . . . . Brandi Dover**

Ms. Dover then presented the "Northwest Georgia Workforce Development Board Policy and Procedures Individual Training Accounts" (attached). She stated that the following had been added to the policy:

[WIOA Sec. 134(c)(3)(B)]"

She stated that these increases would allow more individuals to receive training in our area. Mitchell Morgan made the motion to accept the request. Bonny Bosworth seconded. Motion carried unanimously.

**D. Reimbursement Policy . . . . . Brandi Dover**

Ms. Dover presented the "WIOA Participant Reimbursement Policy and Procedures" (attached).
