One Stop Center Certification Forms

In accordance with 20 CFR § 678.800, the State Workforce Development Board (SWDB), in consultation with the Local Workforce Development Boards (LWDB) and Chief Local Elected Officials (CLEO), developed minimum criteria for the certification of comprehensive and affiliate one-stops throughout Georgia.

Technical College System of Georgia, Office of Workforce Division provided local areas with documentation to use for certification. One-Stop certification criteria must be reviewed every two years, and re-certification must be completed at least once every three years.

Introduction

In accordance with 20 CFR § 678.800, the State Workforce Development Board (SWDB), in consultation with the Local Workforce Development Boards (LWDB) and Chief Local Elected Officials, developed the following minimum criteria for the certification of comprehensive and affiliate one-stops throughout Georgia.

LWDBs must complete one-stop certification for each location under consideration for status as either a comprehensive or affiliate site. Sites must be certified by the LWDB in order to utilize their locally negotiated infrastructure cost agreement. Comprehensive and Affiliate one-stops must be certified no later than June 30, 2017. In areas in which the LWDB is the One-Stop Operator, certification must be completed by the staff from the Technical College System of Georgia, Office of Workforce Division. All locations will fill in the Partner Presence Section and then will either be certified as a comprehensive one-stop or an affiliate site. If a location is requesting to be certified as a comprehensive one-stop, Forms A and C will be completed. If a location is requesting to be certified as an affiliate, Forms B and C will be completed.

WorkSource Georgia's One-Stop Certification is comprised of the following categories which evaluate the one-stop for effectiveness: Customer Flow of Services, Memorandum of Understanding, Operational Details, the WorkSource Georgia Branding Identifier, Customer Satisfaction, Continuous Improvement, and Accessibility and Equal Opportunity Certification.

LWDBs may include additional categories of certification criteria and or additional criteria under existing categories. While the SWDB does not require review of LWDB added criteria, the additional criteria must be approved through an LWDB vote or other official action.

One-Stop certification criteria must be reviewed every two years, and re-certification must be completed at least once every three years. The following criteria may be used for the initial certification of one-stops during PY 17 (July 1, 2017-June 30, 2018) and PY 18 (July 1, 2018 – June 30, 2019). While these guidelines may be re-used for PY 19 (July 1, 2019 – June 30, 2020), LWDBs must take formal action to readopt them as their official certification criteria.

Questions regarding one-stop certification should be referred to the local workforce development area's designated programmatic technical assistance representative.

The One-Stop Service Delivery System is primarily composed of Comprehensive One-Stops that provide access to all of the required partner programs present within the Local Workforce Development Area (LWDA) and Affiliate One-Stops that provide access to one or more of the required partner programs. Federal service delivery requirements are different for Comprehensive and Affiliate One-Stops. Therefore, the certification guidelines separate the certification process and require LWDBs to complete distinct certification tools for each type of One-Stop. Furthermore, a certification tool must be completed for each potential Comprehensive and Affiliate One-Stop site. Below in Section I, Comprehensive One-Stop certification criteria is set forth. Section II addresses Affiliate One-Stop certification criteria. (Please note that the criteria reflect the relevant federal regulation.)

I. A comprehensive one-stop center is a physical location where job seeker and employer customers can access the programs, services, and activities of all required one-stop partners. A comprehensive one-stop center must have at least one Title I staff person physically present.

The comprehensive one-stop center must provide:

1. Career services, as described in §678.430;
2. Access to training services described in §680.200 of this chapter;
3. Access to any employment and training activities carried out under sec. 134(d) of WIOA;
4. Access to programs and activities carried out by one-stop partners listed in §678.400 through §678.410, including the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA Title III (Wagner-Peyser Act Employment Service Program); and,
5. Workforce and labor market information.

Customers must have access to these programs, services, and activities during regular business days at a comprehensive one-stop center. The Local Workforce Development Board (LWDB) may establish other service hours outside of normal business hours to accommodate the schedules of individuals who work on regular business days. The State Workforce Development Board will evaluate operational hours as part of the evaluation of effectiveness in the one-stop certification process described in §678.800(b).

To clarify what ‘access’ means, the federal regulations define “Access” to each partner program and its services to mean:

1. Having a program staff member physically present at the one-stop center;
2. Having a staff member from a different partner program physically present at the one-stop center appropriately trained to provide information to customers about the programs, services, and activities available through partner programs; or
3. Making available a direct linkage through technology to program staff who can provide meaningful information or services.
 - a. A “direct linkage” means providing direct connection at the one-stop center, within a reasonable time, by phone or through a real-time web-based communication to a program staff member who can provide program information or services to the customer.
 - b. A “direct linkage” cannot exclusively be providing a phone number or website or providing information, pamphlets, or materials.

II. An affiliated site, or affiliate one-stop center, is a site that provides access to the job seeker and employer customers one or more of the one-stop partners' programs, services, and activities. An affiliated site does not need to provide access to every required one-stop partner program. The frequency of program staff's physical presence in the affiliated site will be determined at the local level.

If Wagner-Peyser Act employment services are provided at an affiliated site, there must be at least one or more other partners in the affiliated site with a physical presence of combined staff more than 50% of the time the center is open. Additionally, the other partner must not be the partner administering local veterans' reemployment representatives, disable veterans' outreach representatives, disabled veterans' outreach program specialties, or unemployment compensation programs.

Additionally, both comprehensive and affiliate one-stop centers must be physically and programmatically accessible to individuals with disabilities, as described in 29 C.F.R. part 38 and the regulations implementing WIOA Sec. 188.

Certification Process Instructions

Each LWDA must have at least one certified Comprehensive one-stop and an executed Memorandum of Understanding (MOU) by July 1, 2017. The MOU, executed by all required partners present within the LWDA, outlines the service delivery structure and identifies the service delivery sites, both potential comprehensive one-stops and affiliate one-stops. Utilizing the prospective service delivery sites identified in the MOU, each LWDA must assign staff to perform certification. The steps below briefly outline how this process should occur prior to the July 1, 2017 deadline.

1. If a LWDB determines additional certification criteria will be added to the mandated State certification criteria, the LWDB or an appropriate LWDB committee must meet and vote to add such criteria.
2. Determine which entity will be responsible for completing certification. Per §678.800(3), “when the Local WDB is the one-stop operator as described in §679.410 of this chapter, the State WDB must certify the one-stop center.” Furthermore, if the local fiscal agent or programmatic administrator functions as the one-stop operator, that entity may not perform the certification either, due to inherent conflicts of interest. In either case, the LWDB must notify WFD in writing by June 1, 2017.
3. Identify the prospective locations and schedule onsite inspections and interviews. Note that these locations should only consist of those locations identified in the proposed MOUs.
4. Complete certification process by completing the appropriate forms for each prospective location and present to LWDB or appropriate LWDB committee.
 - a. Complete the Partner Presence Form for every site.
 - b. Depending on site designation, either comprehensive or affiliate, complete Form A or Form B.
 - c. Complete Form C for every site.
5. LWDB or appropriate LWDB committee shall review the tools and vote on whether to certify sites.
6. Provide WFD with an executed certification page for each site the LWDB votes to certify. Such notification does not need to include completed tools which may be reviewed by WFD during annual onsite monitoring.

- 7. To the extent that any prospective location identified in the MOU is not certified, the LWDB shall provide an explanation and justification as to why. The LWDB shall also include the completed tools contained in this document for the location that failed certification so that WFD may provide technical assistance to remedy the failed certification.**

Partner Presence

1. Under “Physical Presence: Average Hours/Week On-Site,” include the number of hours per week the agency is on-site, if applicable.
2. Under “Agency Personnel Name and Schedules,” enter the names and schedules of those on-site.
3. Under “Electronic Presence,” indicate whether or not the partner agency has an electronic presence on-site.
4. If questions do not apply to the particular partner agency, indicate so in the “Not Applicable” column.
